IV. Old Business:

a. Trustee Region V report: no report

b. New DDS Dinner: Scheduled for May 19th at the Edgewater.

Invitations to be mailed and personal phone calls to be made to new members

c. CE update: DCDS is sponsoring Lee Ann Brady DMD at the WDA annual convention May 13. This is free to DCDS members. Two other full day seminars are scheduled for September 13th and November 4th. As

always many thanks to Dr. Pat Tepe for all of his efforts coordinating our highly regarded continuing education program.

d. Online payment for CE: It was determined that DCDS should move forward and use a paypal account to take CE payments from members and be linked to our website-www.danecountydental.org

e. The member directory is ready to be emailed out to members. This was reviewed and approved for distribution.

f. Access Clinic Update: Representatives from the Access Clinic will be invited to attend the April Board of Trustee's Meeting to discuss how we as an organization can be supportive of their efforts and to clarify other concerns.

V. New Business:

a. Mt. Horeb Fluoride Update: Members of the Mt. Horeb dental community along with DCDS and WDA representatives are working with the Mt. Horeb City Council to disseminate facts and accurate information regarding fluoridation of community water sources.

b. A brief discussion was held regarding how members should address concerns from patients regarding and contentious issues between Governor Walker and the public unions. The WDA has issued talking points regarding our neutral position on the matter and that we are neither of a Democrat or Republican persuasion; rather, we support those who share our philosophy regarding dentistry as a whole.

VI. Adjournment: Drs. Reid and Bird

Next meeting: April 12th Location: TBD
